**To:** AJFC@groups.io  
**Subject:** Volunteer Tax Credit Forms...  
**Attachments:** Emergency Responders Tax Credit Cert (11-24)\_Final.pdf; First Responder Mileage Credit Cert (11-24)\_Final.pdf

Please find the forms for the current tax year attached to this email. I know that all of our groups have people that are plugged into different roles, and some are likely volunteers that would qualify for this. If you would be so kind, please share this with your membership.

---

I have received a few questions regarding the tax forms for TY2024. The newly revised certificates are attached (training and mileage). Please use this credit to prove to the legislature that it is something that is beneficial to the people of Alabama and our fire service.
